Lifeguard Course GREATER WICHITA YMCA

Becoming a lifeguard is not just about guarding a pool or waterpark. Lifeguards are lifesaving professionals who have a great impact in strengthening their communities. They protect life, explain the importance of water safety and support healthy living recreation.

Greater Wichita YMCA is now hiring lifeguards for all locations and outdoor waterparks. Part-time and multi-shift positions available. Benefits include flexible hours and free citywide Y membership. Need certified? We'll train you and after 350 hours of lifeguarding at the Y, staff are eligible for a full course fee reimbursement!

Register over the phone or in person at any Greater Wichita YMCA. Contact Lori at 316.776.8821 or the Aquatics Director / Coordinator at any Greater Wichita YMCA location for job requirements or more course details.
